ABSTRACT SUBMISSION TEMPLATE

Thematic area: *[Select one of the thematic areas listed in the call for abstracts]*

Type of work: *[Original research / method / case / innovation / review / brief communication]*

Requested presentation format: *[Oral presentation / Scientific poster]*

Abstract language: *[Spanish / Portuguese / English]*

[WORK TITLE IN THE ORIGINAL LANGUAGE: maximum 25 words, no abbreviations]

[English title - recommended for international dissemination]

[First Name Last Name[1]*, First Name Last Name[2], First Name Last Name[1] - maximum six authors]

[1][Institution, city, country]. [2][Institution, city, country].

**Presenting author. Corresponding author: [email address]*

Introduction: *[Briefly describe the scientific problem, context, and relevance.]*

Objective: *[Clearly state the main purpose of the study.]*

Materials and Methods: *[Summarize the study design, population or samples, analytical methodology, and statistical analysis, when applicable.]*

Results: *[Present only obtained, specific, and supported results. Do not include expected results.]*

Conclusions: *[State conclusions directly derived from the results, without speculation.]*

Keywords: *[3 to 5 terms; preferably MeSH or DeCS, separated by semicolons.]*

References (optional): *[Up to three references in Vancouver style.]*

MANDATORY DECLARATIONS

Funding: *[State the source or write: "The study received no external funding."]*

Conflict of interest: *[Declare the existence or absence of conflicts of interest.]*

Informed consent: *[When applicable, state that it was obtained in accordance with current regulations.]*

Note to authors: remove all instructions in brackets before submitting the file. The presenting author must be identified with an asterisk (*).
